

Community Tee Ball Overview for District Administrators

Chartering Requirements/Fees:

- Completed charter application that contains the number of teams chartered for baseball and softball divisions of Tee Ball. Application requires a minimum of 2 program contacts, league information, and an agreement to comply with background screening requirements.
- Constitution and Boundary Map are not required
- Charter fee of \$10 per team will be charged

Insurance Requirements:

- Local liability coverage may be used and must meet the limits set in the regulation. The requirement to name the local league as an insured will be waived. Requirements that must be met include:
 - \$1,000,000 per occurrence coverage
 - Coverage must be included for claims arising from athletic participants
 - Coverage must be included for claims arising from sexual abuse and molestation
 - Little League Baseball, Incorporated must be listed as an additional insured.
- Proof of accident insurance at a coverage level of \$100,000 per player per accident is not required. Leagues may use insurance with a lower coverage level.

Access/Eligibility

Any player ages 4-7 may register for a chartered Tee Ball Only Program without respect to residency or school enrollment. Any player registered will have full eligibility for the duration of their Little League career as follows:

- In the league in whose boundary the Tee Ball program is located
- If the Tee Ball program is not located in the boundary of a league, the player will have eligibility at their choice of league(s), as determined by Little League International. They player must identify the league after their first year of Tee Ball if multiple options are available.
- At any time, a player may qualify for a league based on residence or school enrollment regardless of Tee Ball participation.

Establishing Future Eligibility

- Leagues must submit all player registration data, as well as manager/coach information, as directed by Little League International.
- Little League will provide an eligibility document (format TBD) to each player at the conclusion of the season in addition to maintaining a list of eligible players by league.

Benefits

Each chartered Tee Ball program will be provided with the following:

- 1 Tee Ball Guide per team chartered
- 125 Free Background Checks
- Parent's Guide to Tee Ball (electronic copy)
- Access to Little League marks

Community Tee Ball Overview for District Administrators

Operating Requirements

Organizations operating the program must agree to the following:

- Must operate the program in accordance with Little League's Tee Ball curriculum.
- Must submit a list of registration data containing player, manager, and coach information to Little League within 1 month of the program start date.
- Must complete background checks for all volunteers/paid staff involved in the program in accordance with Little League regulations.
- Will not be required to submit an ASAP plan and the league will not count against the district's ASAP percentage.
- Must agree to not charter/operate any baseball/softball programs affiliated with another youth organization. They may operate independent programs.
