To our OR District 3, ID District 2, and WA District 5 Friends:

Baker Little League, Oregon is excited about the upcoming Little League Season, including hosting the OR District 3 All-Star Tournament in late June. This year we would also like to invite you to participate in two regular season interleague Mini Tournaments; one for Majors Baseball and one for Majors Softball to be held at the Baker Sports Complex in mid to late May. This season BLL will field 4 Majors Baseball Teams and 3 Majors Softball Teams.

- We invite Regular Season Majors Baseball teams to participate in:

*May 16-17th Majors Baseball Interleague Mini Tournament, Baker Sports Complex
(Saturday/Sunday)*

- We invite Regular Season Majors Softball teams to participate in:

*May 30-31st Majors Softball Interleague Mini Tournament, Baker Sports Complex
(Saturday/Sunday)*

Located at the foot of the spectacular Elkhorn Mountains, the Baker Sports Complex is a premier venue for Baseball and Softball in Eastern Oregon. Along with a first-class venue, all participating teams are guaranteed 4 games for the weekend (2 games per day). This is also a great opportunity to build connections between our players, coaches, and league representatives across our great region. Give our proposal some consideration and should your league be interested in sending some teams, let us know as soon as possible so we can prepare schedules for the weekends. We will work on setting up the appropriate interleague play agreements.

Have a great season!

President, Baker Little League
