

Dear Sponsor,

As they said in Field of Dreams, "If you build *they* will come." In the 1960's a few intrepid businessmen and community leaders convinced Little League Baseball to hold their Western Regional Tournament in San Bernardino. In return for the commitment, the community built one of the finest youth baseball stadiums in the United States. Originally touted as "Williamsport West," Al Houghton Stadium was completed in 1970 and began hosting the West Region Little League Baseball Tournament. In 2011, we began hosting the girls of the West Region Little League Softball tournament too.

Now every summer, hundreds of boys and girls from across the Western United States converge on Southern California for their chance to go to the Little League World Series. Around 60,000 spectators visit the stadium to watch the games live, and all the games are now broadcast on ESPN or streamed on ESPN+. The LLWS is the world's largest annual elimination tournament.

During the tournament, the volunteer staff at Al Houghton Stadium and the Western Region Complex ensure that these Little Leaguers, their families, and spectators will have an experience that they'll remember for the rest of their lives. The money that we raise will go directly to infrastructure needs of the complex, and to support the children that play there.

To support that mission we need your help to fund the experience. On Friday, August 2, 2024, we will host the West Region Little League Golf Tournament presented by Utility Pole Masters at Arrowhead Country Club in San Bernardino. We are looking for generous donors, and no amount is too small. With your support we can continue to *Go the Distance* for these exceptional kids.
