We have the back room from 8am to 3pm. We need to be done by 3pm.

NO ALCOHOL BEVERAGES DURING THE MEETING, PLEASE.

Umpire meeting will start around 8am (or so). The second part of the meeting day for the DA's and other staff will start around 11am and be a working lunch.

For anyone who wants to stay afterward to continue any smaller discussions, we can easily just move to the “front of the house” and sit at some tables in the restaurant, where people can also have a beer.

I will try to put up a few LL signs to direct people, but if Bob Toigo can find the place, then everyone should be OK.

It's behind a large Waste Management recycling facility. Look for a small road that leads behind it. There will be some dark green signage that says “20 Corners”. Follow it down the small road, past some trucks that say Bobs Heating, and drive past a PPG Aerospace building. 20 Corners will be just behind it. We will be in the BACK Room, NOT through the front door. There will be a sign.

The back room has large TV displays on all 4 sides of the room and we can hook a laptop into them via a single HDMI or USB-C connection.
