

Washington State DA's Meeting – December 6, 2022
Virtual Meeting 7:00PM

1. Call To Order – Chairman Glen Dickason called the meeting to order at 7:05PM
2. Roll Call - All districts except District 5, 10 & 13 were present.
3. Glen led off the meeting with a discussion of the new Rules and Regulations.
 - a. Continuous Batting order for Tournaments.

Glen stated he was concerned that there was no mention about roster size, particularly Minimum roster size. It was mentioned that during HQ surveys presented a year ago, players had said it was more important to them to get to bat than to play in the field.
 - b. Senior Baseball & Softball division – No requirement to have any games played during regular season to be eligible for tournaments. This was discussed and most did not like it.
 - c. D-9 asked who approved of these changes. Some discussion followed and it was stated that the President's Advisory Board had suggested them and the Board of Directors had approved them. Janice confirmed this.
4. Tournaments – Glen proposed a schedule he had collected from some DA's. D-4 would like to have the Jr SB on 7/8. Discussion followed and the final decision was to wait until Regional dates came out for approval. D-13 has Jr/Sr Baseball but may be moved to D-3. Glen updated the matrix on the screen as discussion was held. To avoid confusion the most current "final" matrix attached. Everyone then agreed that they should not change dates after February 1 as it is too hard on everyone.
5. The HQ mandated Leadership Program – Question was asked if every manager/coach had to take it. It was stated NO, only Tournament Managers/Coaches
6. D-4 stated the Miracle League (Challenger) in their area came to them and stated they would like to move to Little League. This would be 10 teams approximately. Bev stated they were working with the Mariners to have a Challenger Only Mariners Day. The decision will be made sometime after 1/1/23. Then Bev asked how many districts had League run vs District run Challenger programs and it was pretty well split evenly between the two options.

Glen closed the meeting at 8:10PM
